

**OH Part 603 Lead Exposure in Construction has been Amended
Due to the ARC Report to ORR**

STANDARD	RULE NUMBERS	MIOSHA IMPLEMENTATION STRATEGY
OH Part 603 Lead Exposure in Construction Effective February 13, 2014 <u>Strike-Bold Draft</u>	R 325.51991 and R 325.51992	The amended rules do not result in a reduction in the requirements for control of employee exposure to lead.
	R 325.51993	The added rule provides a list of the standards referenced in this part and how to obtain copies of them.
